Responding to Ethical, Licensing and Malpractice Complaints

In this workshop you will also find the answers to these questions
that every clinician needs to know:

- What exactly is "malpractice"?
- Have the laws and regulations changed since I was licensed?
- What exactly is the NEW Tarasoff Warning?
- How do I comply with HIPAA's new security standards?
- What constitutes "boundary violations", and what are the risks?
- How should my policies change because of The Patriot Act?
- How do I deal with the death of my patient?
- And how does a "Professional Will" help prepare for my own?
